About the Rally... sail in company, explore on your own

How does it work?

Whether you are a seasoned sailor or a complete novice, here at Mariner Boating Holidays our goal is to make sailing in beautiful locations easy! All you need to do is grab some friends and choose a yacht from our fleet, or book a cabin and join other like-minded adventurers.

From the time you arrive in Palma Mallorca, your hosts will be there to provide support and make your sailing holiday stress free!

Technical assistance, customs clearances, daily weather advice and travel support are just a few of our services.

Cruise in company and along the way your hosts will organise fun races, optional excursions and delicious

dinners where you can socialise with other crews, taste local cuisine and experience Mallorca from a grassroots level.

There are plenty of 'Leisure days' where you can drift off to anchor in a deserted *Cala* or step ashore to explore on your own. It really is sailing made easy!

How to get there?

Mallorca is the largest island in the Balearics archipelago, situated off the East coast of Spain. The airport is based in the capital of Palma and you can fly here from Spain (Madrid or Barcelona) or from most major cities in Northern Europe.

Mariner Boating Holidays work closely with *Travel Counsellors*, a specialist travel organisation whose agents are experts at

creating tailored flight solutions. Contact us for further details.

Highlights

Palma de Mallorca

Just like the weather, the people of Mallorca are sunny by nature and more than just a little proud of their city. Palma is beautiful and offers wonderful cuisine, history and modern sophistication. There are a myriad of little squares, shaded streets, boutique shopping and an enormous marina where one could wander for a whole day.

Cabrera National Park

Only 6nm from the southern tip of Mallorca lies a sailing haven called the Cabrera National Park. Dive in the blue caves, snorkel along coral reefs or enjoy

a long hike to the lighthouse at the top of the island.

Glorious food

Mouthwatering seafood, slow cooked pork, seasonal vegetables and bite sized pastries. Whether it's a long lunch or just some great conversation over tapas, the food in Mallorca is to die for.

Drach Caves

Cuevas del Drach or 'the dragon caves', are a natural wonder not to be missed! Explore the enormous underground caves with impressive stalactite formations then take a boat trip across one of Europe's largest underground lakes, Lake Martel. At the end of the tour you are treated to a short classical music concert by musicians who take advantage of the fine acoustics of the cave.

The beaches

Mallorca is known for its stunning beaches and each stretch of coast offers countless options for you to explore or simply lounge on. From white sand to black, turquoise water to emerald, popular with tourists or completely isolated. Find a beach to suit you!

Weather and tides

- The coastline has a hot Mediterranean climate, with dry summers and moderately cooler winters
- Average daily air temperature in July is 29 °C

Sailing experience

The goal is for you to have the most enjoyable experience possible so it is important that you are comfortable with the person in charge of your vessel. If you or a friend choose to skipper a yacht then we will require details of your experience and an internationally recognised qualification such as the International Certificate of Competence. Alternatively you may wish to hire a professional skipper to help sail and manage the vessels systems.
