We also recommend it covers cancellation, personal liability and loss of luggage and personal effects. As the event organisers we require a copy of the policy and the emergency contact number so we can act in assistance with confidence.

Skipper Licensing

It is necessary that the skipper of a charter yacht holds an **International Certificate of Competence (ICC)** or an **RYA Day Skipper Certificate** or its recognised equivalent along with a **VHF Radio operator's licence**. We will require a skipper's résumé to be completed and copies of any official licensing. Skippers are required to bring actual licenses with them to show at yacht check in.
